

Would you like to work in an innovative company in the heart of Hamburg?

PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.

PlantaCorp helps its business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.

To get closer to our goal, we are looking for a:

TEAM MEMBER RESEARCH & DEVELOPMENT

Full-time, 40 hours (f/m/d)

Tasks:

- testing customer recipes for feasibility - after induction
- investigate and research different topics that come up on the customer's side
- conducting small research projects
- taking care of our small laboratory at Banksstraße, Hamburg
- from time-to-time presence at our factory in Eidelstedt, Hamburg
- assisting all departments in answering scientific questions of all sorts
- conducting projects to further improve product quality

Required qualifications:

- successfully completed studies in the field of chemistry or biochemistry
- very good knowledge of German or English, both written and spoken
- high willingness to learn and enjoy research work
- enjoy dealing with new topics, scientific fields and technologies
- creativity and the ability to think outside the box
- preferably basic knowledge of food and food supplement regulations
- proactive and solution-oriented approach

Mutual respect, reliability and self-initiative are a matter of course for us.

Benefits

We offer you a challenging job in a diverse and constantly changing environment. In our very innovative and dynamic company that is on a strong growth path, you will have the opportunity to implement your own projects and thus develop yourself personally. With the right self-commitment, everyone has the chance of more responsibility.

Curious? Then we look forward to receiving your electronic application at:

About us

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.

<https://www.actinovo.com/>

PlantaCorp GmbH and ActiNovo have together fulfilled a dream: Making high-quality, highly effective dietary supplements from a reliable source available to everyone, at a fair price.
