

Would you like to work in an innovative company in the heart of Hamburg?

PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.

We as PlantaCorp help our business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.

To get closer to our goal, we are looking for a:

PRODUCTION WORKER IN THE FOOD INDUSTRY

Full-time, 40 hours (f/m/d)

Tasks:

- compliance with order and hygiene guidelines in the production rooms
- production of liposomal food supplements for our own brand, as well as in the context of international orders
- documentation of the production steps
- operation, maintenance, and cleaning of the production machines
- collaboration in the development and optimisation of production processes
- determining physical parameters for quality assurance
- weighing raw materials
- filling and labelling bottles and similar containers

Required qualifications:

- completed vocational training is an advantage
- gladly lateral entrants from the gastronomy or hospitality industry
- very good knowledge of German and English, both written and spoken
- experience in the food industry is an advantage
- MS Office skills
- ability to work independently and in a team
- willingness to work shifts and flexibility
- motivation and punctuality

Mutual respect, reliability and self-initiative are a matter of course for us.

Why PlantaCorp:

We offer you a challenging job in a varied environment. In our very innovative and dynamic company, which is growing strongly, you will have the opportunity to implement your own projects and thus develop personally. With the appropriate commitment, everyone has the chance to take on more responsibility.

This is what PlantaCorp offers you:

- encounters at eye level and a warm welcome
- a young, international, dynamic team
- fresh fruit twice a week
- daily coffee, tea, milk, oat milk and nuts
- three free food supplements of your choice per month as well as employee discount on all ActiNovo products
- good public transport connections
- a subsidy for your HVV ProfiTicket
- Urban Sports membership
- individual bonus agreement
- German / English language courses
- company events
- After Work on Fridays for a good start into the weekend

Curious? Then we look forward to receiving your electronic application at:

About us

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.

<https://www.actinovo.com/>

PlantaCorp GmbH and ActiNovo have together fulfilled a dream: Making high-quality, highly effective dietary supplements from a reliable source available to everyone, at a fair price.
