

Would you like to work in an innovative company in the heart of Hamburg?

PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.

We as PlantaCorp help our business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.

To get closer to our goal, we are looking for a:

INTERNSHIP / WORKING STUDENT PURCHASE

Part-time, 20 hours (f/m/d)

Tasks:

- supporting the Head of Purchase in day-to-day business
- contribute to the demand planning of raw materials and packaging material
- triggering of orders and deadline tracking
- close cooperation with the logistics and production departments
- obtaining supplier information
- communication with suppliers
- checking raw materials documents

Required qualifications:

- current studies in the field of economics with a specialisation in purchasing/procurement or another comparable focus
- particularly good knowledge of written and spoken German and English
- good knowledge of written and spoken Russian would be an advantage
- first professional experience in the field of purchasing and commodities management desirable
- knowledge of chemistry or biology and an interest in food supplements and a healthy lifestyle would be an advantage
- a structured and independent way of working
- solid knowledge of the current MS Office systems, especially Excel

Mutual respect, reliability and self-initiative are a matter of course for us.

Benefits

We offer you a challenging job in a varied environment. In our very innovative and dynamic company that is on a strong growth path, you will have the opportunity to implement your own projects and thus develop yourself personally. With the right self-commitment, everyone has the chance of more responsibility as well as the chance of a long-term position in our company after successfully completing their studies

Curious? Then we look forward to receiving your electronic application at:

About us

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.

<https://www.actinovo.com/>

PlantaCorp GmbH and ActiNovo have together fulfilled a dream: Making high-quality, highly effective dietary supplements from a reliable source available to everyone, at a fair price.
