

Would you like to work in an innovative company in the heart of Hamburg?

PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.

We as PlantaCorp help our business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.

To get closer to our goal, we are looking for a:

INTERN IN THE MICROBIOLOGY LABORATORY / QUALITY ASSURANCE

Part-time, 20 hours (f/m/d)

Tasks:

- support in our chemical and microbiological laboratory
- support with quality control in the company and our food production
- evaluation of analysis results and documentation according to our QM system
- carrying out sensory controls
- collaboration in the monitoring of testing equipment
- responsibility for the proper maintenance and care of all laboratory equipment
- maintaining and monitoring cleanliness and hygiene guidelines in the laboratory and all other premises

Required qualifications:

- completed or ongoing studies in the field of natural sciences such as food chemistry, food technology, chemistry or biotechnology
- very good written and spoken German and English skills
- ability to work in a team and a proactive as well as communicative nature
- a high degree of responsibility
- analytical thinking and a structured way of working
- confident handling of MS Office

Mutual respect, reliability and self-initiative are a matter of course for us.

Benefits

We offer you a challenging job in a varied environment. In our very innovative and dynamic company that is on a strong growth path, you will have the opportunity to implement your own projects and thus develop yourself personally. With the right self-commitment, everyone has the chance of more responsibility.

Curious? Then we look forward to receiving your electronic application at:

About us

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.

<https://www.actinovo.com/>

PlantaCorp GmbH and ActiNovo have together fulfilled a dream: Making high-quality, highly effective dietary supplements from a reliable source available to everyone, at a fair price.
