

Would you like to work in an innovative company in the heart of Hamburg?

PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.

We as PlantaCorp help our business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.

To get closer to our goal, we are looking for a:

TEAM LEAD PRODUCTION COORDINATOR & STRATEGIST

Full-time, 40 hours (f/m/d)

Tasks:

- communicate our corporate philosophy by leading, motivating and managing a production team of more than eight employees.
- contributing to production planning in coordination with the sales and engineering departments
- developing proposals for changes and additions to the production process in consultation with the General Management and the Plant Manager
- set up a reporting and KPI system to measure the success of the production process
- establish a multi-shift system to maintain production beyond the current peak working hours
- identify problems and work out solutions
- working closely with the plant manager, logistics, quality management and the purchasing department to optimise workflows
- updating our own production management software with production results
- location will mainly be our production facility in Eidelstedt (approx. 30 employees)

Required qualifications:

- strong skills and experience in food or pharmaceutical production
- sufficient knowledge of ISO 22000, GMP, HACCP rules to be able to fully comply
- experience in lean production
- experience in motivating and leading employees
- good knowledge of the German and English language, both written and spoken
- pro-active attitude and hands-on mentality

- great willingness to learn and explore new things
- forward-looking and unconventional thinking: how can we become better and more efficient?

Mutual respect, reliability and self-initiative are a matter of course for us.

Benefits

We offer you a challenging job in a varied environment. In our very innovative and dynamic company that is on a strong growth path, you will have the opportunity to implement your own projects and thus develop yourself personally. With the right self-commitment, everyone has the chance of more responsibility.

Curious? Then we look forward to receiving your electronic application at:

About us

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.

<https://www.actinovo.com/>

PlantaCorp GmbH and ActiNovo have together fulfilled a dream: Making high-quality, highly effective dietary supplements from a reliable source available to everyone, at a fair price.
