

Would you like to work in an innovative company in the heart of Hamburg?

*PlantaCorp is an ISO 22000, GMP-certified German manufacturer of liposomal food supplements. Our unique and advanced vital substance-encapsulation technology provides our customers with highly effective, maximal-absorption liposomal food supplements.*

*We as PlantaCorp help our business partners to conquer the global supplement market with both our contract manufacturing and white labelling services. Together, we are shaping the future by creating a new perspective on food supplements. Our goal is to make our modern and innovative liposomal technology available to everyone.*

To get closer to our goal, we are looking for a:

## **CLEANING TEAM MEMBER**

**Part-time, 20 hours (f/m/d)**

### **Tasks:**

- compliance of the hygiene guidelines in the production rooms according to HACCP
- operation of cleaning machines from the food industry
- maintenance and hygienic cleaning of production machines
- cleaning and disinfection of dismantled machine parts
- cleaning of business and commercial premises

### **Required qualifications:**

- work experience in the food or cleaning industry is an advantage
- also welcome career changers from the catering industry
- good written and spoken German and English
- ability to work independently and in a team
- willingness to work shifts, also in the evenings
- motivation and punctuality

*Mutual respect, reliability and self-initiative are a matter of course for us.*

### **Benefits**

We offer you a challenging job in a varied environment. In our very innovative and dynamic company that is on a strong growth path, you will have the opportunity to implement your own projects and thus develop yourself personally. With the right self-commitment, everyone has the chance of more responsibility.

Curious? Then we look forward to receiving your electronic application at:

Germany. PlantaCorp is ISO 22000 and GMP certified.

## **About us**

PlantaCorp is an ISO 22000 and GMP-certified producer of liposomal supplements based in Hamburg, Germany. Our unique encapsulation technology offers other companies the opportunity to build a business in quality food supplements.

<https://www.plantacorp.com/>

In April 2015, we developed our own distribution brand, ActiNovo. Through ActiNovo, we offer liposomes as a revolutionary dietary supplement transport system to a global audience. These are up to 46 times more bioavailable than conventional tablets, pills and oils.
